

Flexi H Frames

Flexi

H-Frames

Our H-Frame kits offer the installer full flexibility by providing a solution where they can supply their own strut to suit their installation requirements. The H-frame kits can be supplied with a pair of either 320mm feet or where heavier more demanding loads are present, use the 500mm foot version kit. All kits are supplied with hot dip galvanized angle brackets together with all the necessary fixings to assist the installer in a low cost, versatile and fast assembly solution on site.

Features & Benefits

- Non-penetrative support
- Flexible design to accommodate late design changes
- Fast and simple installation
- Hot dip galvanized bracketry
- Rubber mats adhered to feet
- Two foot sizes available
- The kit comes supplied in a box
- Full AutoCAD drawing support
- Load management and wind calculations available
- Full on-site support and surveying services

The Package

- 2 x Square Black Feet • Fixings •

* NB The lengths of strut are not supplied with this kit.
 ** As the strut is not supplied with the kit, the maximum load is a guide only.

Part Code	Description	Foot Size	Safe Working Load**	Weight
F-HF-320	Flexi H-Frame Set – 2 Square Black Feet and Fittings*	320mm x 320mm	250kg	4kg
F-HF-500	Flexi H-Frame Set – 2 Square Black Feet and Fittings*	500mm x 500mm	600kg	6kg

** It is the installer's responsibility to ensure that equipment weights do not exceed the safe working loads quoted and that the roof structure onto which these products are being applied is sufficiently sound to withstand the weight and point loading. If these products are used in contact with a PVC roof membrane, the installer should seek advice from the membrane manufacturer on the possible migration of plasticizers and the effect of this on the roof guarantee. These products should not be used for any purpose other than that for which they have been designed and the products must not be modified in any way. Pump House accepts no liability for damage caused by the incorrect application or installation of these products.

The Pump House sales team are available to answer your questions or queries on this product. Our experts are waiting for your call **+44 (0)115 900 5858** or if you prefer send an email to **sales@pumph.co.uk** or visit **www.pumph.co.uk**
